dealers who go West at this season of
the year, he has one main object in view.
To endeavor to persuade the Packard
Company that some other section will not
suffer half so much for the want of Packard automobiles as will Washington.

Henry Krohn, sales manager of the
Paige-Detroit Motor Car Company, after
several months' work, has completed the
details of a plan whereby Paige dealers
will be given greater assistance in work-

a two weeks' tour through the Middle West, South and Central States, includ-ing in his itinerary such cities as St. Louis, Kansas City, Dallas, Fort Worth and the like. As a part of his plan, Mr. Krohn is taking with him a special representative, who will cover this field and act as the link between the factory and the dealer. about two months ago when Terry Keller, of Baltimore, better known as the Battle-ship Maryland, and Tom McMahon, the Pittsburgh Bearcat, fought fifteen hard

rounds to a draw.

Hen Blotzer, the matchmaker of the A.

A. A., has rematched these two heavyweishts for another fifteen rounds, the
battle to take place at the Palace Theput the dealer in more intimate touch with the factory and keep him so. the referee's decision over him. He has also won from every heavy-weight of prominence in the country.

This special representative will make a study of all local conditions and be of such assistance to the dealer in solving local problems as he can. He will also timore.

In there last setto these two big men surprised the fans by standing toe to toe and slugging away the entire fifteen rounds. McMahon has beaten the champion of the world, Jess Willard, and has the referee's decision over him. He has also won from every heavy-weight of prominence in the country.

With the factory and keep him so. It is believed that this system will aid materially in welding the 1,500 Palge dealers into a cohesive sales organizatory and in keeping them in step with Palge executives in working out Palge opticy. Such a plan as this, it is believed, will also greatly increase the efficiency and keep him so. and effectiveness of Paige service.

Along with the development of mergers in other directions the possibilities of new groupings of strong organizations in accessories along more or less natural lines are bringing into frequent conference the heads of widely known companies. In respect to ly known companies. In respect to both the manufacture and distribu-tion of accessories, the development of a national system of outlets is al-ready realized as being of equal importance to the makers of cars, as well as accessories. For by the elimi-nation of the uncertainties of more restricted markets and the very neces-#0841-H. R. Cornwell, 629 Md. are. sw.; Pullman 996. 40842-Ernest L.
